

TERROIRISTS

Probably the best wine blog in the world.

ACCLAIM

CADARETTA

CADARETTA, Walla Walla 2009 SBS (Sauvignon Blanc-Sémillon)

The wine could technically be labeled a Sauvignon Blanc at 78% as such, but don't underestimate what is added by the remaining Semillon...Semillon brings a richer honey component to the table which compliments the crispy citrus of Sauvignon Blanc **like a marriage made in Bordeaux...**
