

CADARETTA, Columbia Valley
2010 SBS

**VIBRANT...RACY
...BALANCED**

SBS stands for Sauvignon Blanc (75%) and Semillon (25%). It shows a brilliant straw color and fresh, ripe aromas of pear, melon and pineapple, with scents of honeysuckle and lilac. The white fruit flavors are vibrant and racy, balanced with a touch of creamy texture from sur-lie aging. A zingy touch of lime juice counterpoints the semi-tropical tones on a lingering finish. **18+/20 points.**
