

CADARETTA, Columbia Valley  
2008 Windthrow Syrah

90 POINTS

“(36% syrah, 29% mourvedre, 18% counoise and 17% grenache): Bright red-ruby. Aromas of strawberry, redcurrant, mocha, brown spices and flowers. Supple and quite sweet, with noteworthy concentration to its fruit flavors. The long, plush finish shows serious tongue-dusting tannins and a solid structure to support some development in bottle. **A very successful blend and an outstanding value.**”
