

CADARETTA, Columbia Valley
2007 Cabernet Sauvignon

"I have told the tale previously of the Middleton Family and its early Washington history, along with its more recent transition into the wine business. The premium Cadaretta brand features wines crafted from noted Columbia Valley vineyards, including this 2007 Cabernet Sauvignon.

On the nose: a fruit bowl of ripe plum, berry and cherry with hints of bay leaf and vanilla. On the palate: flavors of cherry and raspberry with rich toasty cedar and tobacco on the finish."
