CADARETTA, Columbia Valley

2013 SBS

76% Sauvignon Blanc and 24% Sémillon

93 POINTS

"I love this wine for its complexity and freshness. Nectarine, apple, melon, wet stone minerality and grapefruit sing in both aroma and flavor profiles, with racy food friendly acidity that cleanses, yet leaves the full flavor mix hanging for a long time. A plate of oysters is mandatory – for openers. Then continue with any seafood theme that suits you – this wine is up to the task. Contains 72% Sauvignon Blanc and 28% Sémillon."
