2013 SBS

Sauvignon Blanc and Sémillon, 12.8% alcohol

90 POINTS

“Bright, pale silver-yellow. Aromas of gooseberry, pineapple, lemon drop and musky herbs are lifted by a pungent floral topnote. Juicy and penetrating, with spicy acidity giving grip to the pineapple and grapefruit flavors. Plenty of texture here but also a light touch. (An earlier bottle was distinctly rounder and smoother in the mid-plate, showing somewhat more exotic tropical fruit flavors, but gained nicely in power and clarity with air, thanks to lively citrusy acidity. It was at a similar level of quality.)”
