2012 Windthrow

WINE OF THE WEEK

“The Middleton family’s Cadaretta Winery is located in the city of Walla Walla, and their Southwind Vineyard is located just south of the city. Windthrow is a reserve-style GSM blend selected from the best barrels of the vintage. It is heavy on the Syrah portion, giving it depth and power on the palate. On the nose, you’ll find spice and French herbs mingling with dark cherry. The palate is rich and long with black cherry and plum flavors, finishing with smoky bacon, black pepper and vanilla.”
