## BIG RED FOR DAD

-IF YOU'RE LUCKY, HE MAY SHARE

"The Rhône is the inspiration for this Washington State blend composed of syrah (56 percent), grenache (25 percent), and mourvèdre (19 percent). Aging occurred in French oak over 17 months; 33 percent of the barrels used were new. Heady aromas of black plum and spice fill the intoxicating nose. The palate is stuffed with a mouthful of black fruit such as blackberry, plum, and blueberry. Bits of chocolate sauce emerge on the finish along with plum pudding spices and blackberry elements that continue to reverberate. This is a lush, fruit-driven, and somewhat hedonistic blend."
