CADARETTA, Columbia Valley
2014 SBS

90 POINTS

“The aromatics and flavor profile of this wine are quite true to Sauvignon Blanc, echoing grapefruit with green herbal notes lurking underneath the fruit, but the Semillon gives it an unexpected creamy, almost waxy texture. The added body provides depth on the palate, making the wine quite versatile at the supper table. This winery almost always hits the mark with their wines, and the 2014 “SBS” is certainly no exception.”
