CADARETTA, Columbia Valley 2014 SBS

A FAVORITE WITH TASTERS!

“Cadaretta Winery is part of Middleton Family Wines, founded by a Northwest family that began exporting forestry products from Washington State in 1898. Their winemaking endeavors began in California in the 1990s, and Cadaretta Winery was begun in Walla Walla in 2005. This blend of 80% Sauvignon Blanc and 20% Semillon offers aromas of Key lime, fresh herbs and pineapple, followed by pear and tropical fruit flavors with a crisp finish of grapefruit and Granny Smith apple. Cadaretta SBS was a favorite with my tasters.”
