**CADARETTA**, Columbia Valley  
2015 SBS

**92** POINTS

From the latest [winereviewonline.com](http://winereviewonline.com):

“Cadaretta, Columbia Valley (Washington) “SBS” 2015: Cadaretta has consistently excelled with their SBS bottling, using the initials of the grapes to name this wine. A Bordeaux-like blend of Sauvignon Blanc (90%) and Semillon, it’s a balanced, harmonious wine. The addition of Semillon adds a lanolin-like texture and depth without eviscerating the pleasant pungency of Sauvignon Blanc. Crisp and long, it screams for summertime fare.”
