CONNOISSEURS' GUIDE TO CALIFORNIA WINE

✿ **88 POINTS**

2015 CADARETTA SYRAH WALLA WALLA VALLEY

“11% Grenache; 9% Mourvèdre; 2% Viognier. Raspberries, sweet oak and a smattering of peppery spice merge comfortably in the relatively outgoing aromas here and are replayed on the palate, but, while fairly constant in focus, the wine presently drifts to tannin and acid as it goes, and its solid structural bones stick out just a bit in the latter going. It will do the job in washing down savory roasts in the short term, yet it will benefit appreciably by a few years of smoothing.”
