## 2014 CADARETTA SBS

### ABOUT THE WINE

Aromatics are clean, focused, and pure, leading with Key lime citrus and perfume of lilies, complimented by pineapple and pear. There's an ever-so-slight aspect of grassiness from the Sauvignon Blanc. Crisp and clean entry on the palate, flavors of key lime, lemon zest, Granny Smith apple and minerality. The flavors are pure and focused.

We pick grapes for this wine early in the season, and early in the day (to keep the fruit cool). Raised entirely in temperature-controlled stainless steel tanks (kept cool to retain fresh fruit aromatics). Finished with no oak contact, and no malolactic fermentation.
